SuperCap Garlic

Foran's SuperCap Garlic is a cost effective solution in blends for all types of finished products for those seeking to replace garlic powder with a more economical alternative without sacrificing flavor.

Foran's SuperCap Garlic has many advantages including:

- Commercially Sterile
- Price Stability
- Potential to use at half the current level while achieving full flavor
- Water soluble
- Heat stable
- Labeled as Natural Flavor
- 40 - 50% less expensive than both Domestic Garlic & Imported Garlic
