

“THE PERSONAL TOUCH IN TASTE”

Research & Development

HOT LIST

Partner with Foran Spice for your entire creative project ideas. Custom developed flavor profiles can be confidential and proprietary. Foran's product development team has created these new and exciting flavor systems designed for a variety of base products.

Dips and Dressings

Tuscan Tomato Basil – full-bodied, hearty and flavorful tomatoes combined with the wonderful earthy notes of basil. Background notes of aromatic onion and garlic complete this seasoning.

Taiwanese Curry – an exotic combination of spices from the West including turmeric, coriander and cumin. This zesty seasoning blend has a very sweet background of honey and brown sugar.

Chipotle Adobo – distinct strong, smoky, Chipotle flavor combined with a bold heat make this seasoning blend one of a kind.

Sriracha Hot Chili – sun-ripened chilies combined with fragrant garlic make up this delectable seasoning. Savory and citrus notes complete this well rounded extravaganza of flavor.

Tequila Lime – a refreshing combination of tasty tequila and tart lime perfect for a bright, summer day. Tomato, jalapeno, garlic and onion complete the background notes for this mouth-watering blend of seasonings.
